

WE ALL HAVE THE POWER TO GRANT A WISH Ways You Can Help the Make-A-Wish Foundation®

- **Donate Your Miles...** Donate your frequent flier miles and hotel reward points to help send wish kids and their families to their wish destinations. In 2007, the Make-A-Wish Foundation used more than 360 million frequent flier miles for wish travel, but the organization needs up to 2 billion miles annually. Visit www.wish.org to learn how you can donate your frequent flier miles and hotel reward points.
- **Donate Your Time...** The Foundation relies on nearly 25,000 [volunteers](http://www.wish.org) to help in all aspects – from volunteering at events and fundraising to community outreach, administrative support and, of course, wish granting. Many Make-A-Wish® chapters often need people with special expertise, such as language/translation, writing, technology skills, interior design, construction or other skills. Visit the “Ways to Help” section of www.wish.org to find out how you can volunteer in your local chapter.
- **Non-Cash Donations...** The Make-A-Wish Foundation always needs additional items and services to help make wishes come true. Luggage, cameras, airline tickets, furniture, electronics (computers, DVD players, TVs, game systems, etc.), hotel accommodations, restaurant meals, printing and office products are just a sampling of the items you can donate. You can start your donation by visiting the “Ways to Help” section of www.wish.org.
- **Workplace Giving...** Talk to your employer to establish a program in which employees can contribute to the Make-A-Wish Foundation through payroll deductions. Companies matching employee donations have the opportunity to support the Foundation through the workplace. You can also talk to your employer about setting up company-wide volunteer initiatives to help make wishes come true for children with life-threatening medical conditions in your community.
- **Cash Donations...** The Make-A-Wish Foundation welcomes all levels of donation, whether it is a one-time gift, a monthly donation, planned giving such as remembering the Foundation in your will with a bequest or the establishment of a matching gifts program.
